Help support First Nations students this Christmas

Opening The Doors Foundation is selling its elegant and quality designed and made Christmas ornaments, signed by the Foundation.

All ornaments are made locally from sustainable Australian timber.

These ornaments are fantastic gifts to share and beautiful to display over the festive season.

Why not take a pledge to sell a Christmas pack of 12 ornaments (pictured below) at your school, workplace, church or community group.

A terrific Christmas gift idea for your clients and staff. A beautiful quality gift that also helps to make a difference!

The Foundation relies entirely on donations to support its educational programs. Every dollar raised from the sale of our Christmas ornaments will support more First Nations students.

Thank you to everyone who bought Christmas ornaments last year. Your support was especially helpful after a financially challenging year.

Purchase Christmas ornaments at www.openingthedoors.org.au/christmas or complete the below form and post in the reply paid envelope or send to PO Box 1088 Thornbury VIC 3071
